

The **SYZ42-B** economy LCD monitor stand with modern ball-bearing wheels that allow this unit to be tilted and rolled from location to location. The column has grommets both in the top and bottom for passing cables inside the unit, leaving it with a very clean controlled appearance. Base front is flush to the ground providing the user with free movement in touch screen applications without fear of tripping over legs or casters. This unit is available in black metal and weighs 67 lbs.
